PRACTICE AREAS

PERSONAL INJURY/WRONGFUL DEATH

If you have suffered a serious injury or a family member has died as a result of the negligence of another person, then you may be entitled to bring a claim against the responsible person or company for fair compensation. Some examples of circumstances that give rise to a personal injury claim include a motor vehicle accident, a fall resulting from a negligently maintained or constructed premises or an injury at work caused by someone other than your employer.

Adria East Mossing and Jim Navarre have handled hundreds of personal injury and wrongful death cases including multi-million dollar jury verdicts and settlements. If you feel that you or a family member has suffered injuries or damages as a result of the negligence of another person or a company, contact us. We will take the time to meet with you in depth and investigate the facts and circumstances of your case. We will also hire experts, if necessary, to assist in the investigation and prosecution of the case. Don't wait. Contact us today.

MEDICAL MALPRACTICE

In Illinois, a doctor, nurse and a hospital may, depending on the circumstances, be liable for medical negligence if they fail to comply with the standard of care. The standard of care is determined by experts in the same field of practice. If medical malpractice is proven, an injured party is entitled to reasonable and fair compensation for wrongfully-caused injuries.

Both Adria East Mossing and Jim Navarre have represented injured parties and their families in hundreds of complex medical negligence cases involving such issues as birth injury, bowel perforation, air embolism, compartment syndrome, pulmonary embolism, wrong site surgery, septic shock, failure to diagnose and treat stroke, failure to diagnose cancer, failure to properly remove a catheter, failure to diagnose and treat heart disease, failure to

properly perform cardiac ablation procedures, and failure to properly manage and treat patients during and following surgical procedures.

If you suspect that you may have been a victim of medical negligence, contact us to discuss the facts of your case. We understand that these types of cases can be very stressful on the injured party and their families and we will work closely with you to answer your questions and obtain fair compensation for wrongfully-caused injuries and damages. Don't wait. Contact us today.

CONSTRUCTION ACCIDENTS

If you have suffered a serious injury or a family member has died as a result of the negligence by someone other than your employer, then you may be entitled to bring a claim against the responsible person or company for fair compensation. We have represented injured workers and their families in complex construction litigation matters. We have also represented parties in large property damages cases. We have worked extensively with structural and civil engineering experts, fall protection experts, as well as construction safety/OSHA experts to assist us in the successful prosecution of construction-related accidents, injuries and deaths. Don't wait. If you or a family member has been involved in a construction-related accident, contact us today.

MOTOR VEHICLE ACCIDENTS

If you have suffered a serious injury or a family member has died as a result of the negligence of another person arising out of a motor vehicle or trucking accident, then you may be entitled to bring a claim against the responsible person or company for fair compensation.

If you feel that you or a family member has suffered injuries or damages as a result of the negligence of another person or a company arising out of motor vehicle or trucking accident, contact us. We will take
